Walk of Remembrance and a New Boulder

Many new pavers along the Walk of Remembrance and below the Wall of Honor have been added in recent months. If you have not taken the time recently to meander along the Walk and read the pavers now, with lovely summer weather upon us, is the time.

While you are at the Memorial please note the marvelous new boulder (donated by the Rotary Club of Cupertino) that welcomes you as you enter on the pond side of the Memorial.

We will still be accepting paver orders until we are sold out. There are only about 80 12 x 12 blank pavers left within the Memorial. There are several hundred of the 8 x 8 pavers still available. Order through the above address or online:

www.cupertinoveteransmemorial.org The Veterans Memorial is a \$750,000 project. The purchase of pavers and boulders is one of the ways we are planning to retire the remaining \$45,000 debt.
